Letter of Reference for Dannell Bayer,

I am writing to recommend Dannell Bayer. She has been working with us at InterEd on contract with Prometric International as a Test Center Administrator and reported to me in my position as Test Center Manager for Prometric of Stockholm.

As an employee, Dannell was always punctual, efficient and diligent. She is a very fast learner and in particular with the computer. During her time in my team, she managed to acquire the skills necessary to take on the duties and responsibilities of a test center administrator with flying colors.

I've always put a premium on assertiveness among my team members and Dannell never failed to deliver. An example was when placed in a situation where she needed to learn a new system quickly, she was able to achieve this and to immediately take charge and run the offices on her own.

Dannell is a delight to work with and I wouldn't hesitate to hire her again.

Should you have any further questions about Dannell feel free to reach me at +46 731810003.

Thanks,

Richard Hagg
